MILWAUKEE RADIO AMATUER CLUB
7 September 1967
M S O E Building
1020 North Broadway
Milwaukee

The meeting was called to order at 8;00 PM by president, W9VQD.

The minutes of the August meeting were read. A correction in the treasurer's report and in the spelling of a name were made. The minutes were then approved

The treasurer reported that the Club is being billed the amount of #12.50 by the Freeman Press of Waukesha. Is is believed that this charge is for printing of membership cards for the A R E C, presently in the possession of W9NLY. W9ATK will attempt to verify this with W9JYX, the originator of the bill. If so verified, the bill will be paid by the AREC Inc. It was also reported that the amount of #38.68 is owed to the Club by the Convention Committee for mailing charges incurred while using the MRAC Postal Permit Facilities. It was suggested that the treasurer contact Paul Krueger, WA9OQZ, about this.

The following motion was made by W9GPI:
"Resolved that the Milwaukee Radio Amatuer Club make application for the station call W9RH as a memorial to its former holder, life member Emil Felber; and that Frank Sebuth, W9NLY, be appointed trustee of this station to be located at 8200 North 60th Street. "

The motion was seconded by Ray Weeks, WA9JOV.

In the discussion, W9HPZ asked if this would set a precident whereby the Club might feel obligated to acquire numerous calls of members as they apssed away. It was agreed that this was an exceptional opportunity to secure a two-letter call which will also have commemorative value to the Club. It was further felt that the long delay experienced in trying to renew the original Club call, W9HRM, might result in its no longer being available to the club.

There being no further discussion, a vote was taken. The motion was carried unanimously. W9NLY will prepare the necessary forms. He will also contact W9ROM and secure all inforamtion regarding the elapsed Call W9HRM for the puropse of concluding that application.

WA9SYD reported that there was only slight response to the planned ten meter net participation by Club members. The two nets will continue soliciteing increased activity.

Band reports were given by various members.

W9GFI gave a complete reading and explanation of the new FCC rulings regarding incentive licensing. It was promised that the full text of these rulings will be printed in the October QST magazine.

W9VQD reported that despite inclement weather there were about 45 people at the Club picnic and that all had a good time. He also reported that the 1967-68 Club Roster will be mailed to all members on about September 16th. All those present were reminded that the annual auction will be held at the next meeting.

W9ATK announced two forthcoming activities; The Badger Trails Hike at Devil's Lake on Saturday October 7th, and a Veteran's Day Parade on Saturday November 11th. All interested members were invited to particpate.

There being no further business, it was moved by W9CMX that the meeting be adjourned. This was done at 9;55 PM.

Respectfully Submitted,
Walt Glish W9YYW, Secretary
